We hope to see our new local church representatives (noted on the 2018 Key Leadership Form from Charge Conference) in the coming year. For churches who have not yet designated this position in your local church, there is still time. Local church representatives meet only once or twice a year face-to-face, and conduct the rest of their networking and business via email and phone. We have found this approach to meet the needs of all committee members. If you are a pastor or a local church representative and would like more information, please contact Committee Chair Rev. Rebecca Collison at [pastorbecky@gmail.com](mailto:pastorbecky@gmail.com) or cell phone/text 302-236-3082.

Can we include ALL people, including those with disabilities, in making disciples for the transformation of the world through Christ?

**YES, We Can.**
