## Michael Jacobs in Concert

Sunday, February 24 2:30 PM Aldersgate UMC

Native American Singer/songwriter, Michael Jacob's professional music career began as a songwriter and guitarist in Nashville, TN. He started his solo career in 2002, with the release of the acclaimed CD, Sacred Nation. It received the 2003 Nammy Award for Best Independent Recording. In January 2018, Michael released his most powerful and polished work yet. The CD is called Change, and for good reason: It reflects a songwriting evolution that resulted in captivating anthems of celebration, contemplation, and defiance in the midst of struggle. Besides Michael's soar-ing vocals and solid guitar work, some of Nashville's best studio players also appear on this record. Questions? Please call (302)478-2575

## Conference Council on Young Adult Ministries

CCYAM is looking for young adult leaders who are willing to organize and serve in young adult ministries during the 2018-2019 term.

CCYAM is a council within the Peninsula Delaware conference, and is led by young adults for young adults. Over the course of the year the CCYAM will plan local mission, fellowship, and worship opportunities for young adults.

The goal of CCYAM is to bring together active young adult ministries in local congregations, and young adults without a strong network to come together for ministry opportunities. Some of the current ministries of the CCYAM include an active blog, mission experience to Colombia, and day of fun at Camp Pecometh.

Many of the roles and responsibilities of the CCYAM are new, so young adults who are servant leaders and are flexible to changes are important. Members of the CCYAM will help develop and execute the vision for young adult ministry for the Annual Conference.

The CCYAM will have at least one young adult from each district within the conference. CCYAM strives to be comprised of individuals of diverse ages within the young adult scope, race and genders. This is an inclusive body and all young adults are encouraged to apply.
